

Letter to Parents GREETINGS!

Program: **Storm Chasers**

We look forward to visiting
your child's classroom soon!

SCIENCE FUN For Everyone
will be visiting your child's
classroom soon!

Our in-school field trips provide
FUN, interactive, "hands-on"
science experiences.

The students will become
Scientists, perform experiments,
take home at least one of their
activities and earn a science
certificate award!

At Home Exploration!

Do you want to experiment at
home with your junior scientist?

[Click here to visit our
experiment page!](#)

Students Will Learn:

- 5.E.1** Understand weather patterns and phenomena, making connections to the weather in a particular place and time.
 - 5.E.1.1** Compare daily and seasonal changes in weather conditions and patterns.
 - 5.E.1.2** Predict upcoming weather events from weather data collected through observation and measurements.
 - 5.E.1.3** Explain how global patterns such as the jet stream and water currents influence local weather in measurable terms such as temperature, wind direction and speed, and precipitation.
