# Who am I??

**Directions:**

Use the clues to guess the type of organism. Then draw a picture of an example of that organism (maybe even one you saw in the program!)

<p><b>I always have 6 legs and 3 body parts. Sometimes I have wings, antennae, and cool compound eyes.</b></p> <p>I am _____</p>	<p><b>I always have 8 legs and 2 body parts. I have LOTS of eyes, maybe even 8!</b></p> <p>I am _____</p>
<p><b>I have LOTS and LOTS of legs, which means I have LOTS and LOTS of body parts too!</b></p> <p>I am _____</p>	<p><b>I have NO eyes and NO feet!</b></p> <p>I am _____</p>
