

Letter to Parents GREETINGS!

Program: **Our Place in Space**

We look forward to visiting
your child's classroom soon!

SCIENCE FUN For Everyone
will be visiting your child's
classroom soon!

Our in-school field trips provide
FUN, interactive, "hands-on"
science experiences.

The students will become
Scientists, perform experiments,
take home at least one of their
activities and earn a science
certificate award!

At Home Exploration!

Do you want to experiment at
home with your junior scientist?

[Click here to visit our
experiment page!](#)

Students Will Learn:

- 3.E.1** Recognize the major components and patterns observed in the earth/moon/sun system.
- 3.E.1.1** Recognize that the earth is part of a system called the solar system that includes the sun (a star), planets, and many moons and the earth is the third planet from the sun in our solar system.
- 3.E.1.2** Recognize that changes in the length and direction of an object's shadow indicate the apparent changing position of the Sun during the day although the patterns of the stars in the sky, to include the Sun, stay the same.
